

# HELLO SPRING!

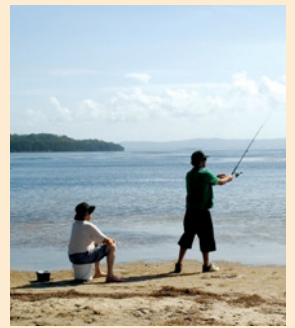

Central Coast Holiday Parks

SEPTEMBER 2017

## The perfect time to get outdoors.

There's nothing like getting back outdoors after a long and cold Winter. The sun is warming up, the birds are out and flowers blooming, and all just in time for school holidays.

Our parks have planned exciting school holiday activities to keep the family entertained between exploring the local attractions and enjoying some family fun. If you haven't booked your family getaway, there's no better time than now.
