

**PROPOSED IMPROVEMENTS:**

**ENTRY AND CENTRAL FACILITIES PRECINCT:**  
This precinct will provide infrastructure and resources for Park management and maintenance. The entry forecourt will continue to be improved over time with hard and soft landscaping.

**TOURIST SITE & ACCOMMODATION PRECINCT:**  
This area currently provides campsites, short-term powered sites, cabin accommodation, holiday vans and long-term sites. The future character of the precinct will be oriented to the provision of sites and accommodation for tourists with the number of holiday vans being reduced over time. The overall character of the Precinct will be oriented towards fulfilling the needs of the Park's tourist clientele.

**LONG TERM CASUAL PRECINCT:**  
These areas of the Park will continue to support a mix of long term sites and short term sites for tourists and holiday vans. Where sites become available and it is appropriate holiday vans will be relocated from the Tourist Precinct into these Precincts.
